

## Curl BC Men's and Ladies Provincial Championship 2022

As many of you may know, Kamloops Curling Club and McArthur Island Curling Club have been awarded jointly the BC Curling Provincial Championships in the spring of 2022 after last year's event was cancelled. The new scheduled date is January 2022, again at the McArthur Island.

I thank you again for offering your service last time and hope we can count on your support again this year. We hope to hold a full regular event subject to Covid-19 we need more help than last year. Furthermore, the certification of officials has changed a bit. All timers will need to have a level one certification and as we learned from last year, we had a shortage of level two certified personnel.

Curl BC has made it easier to get accreditation. The level one and two courses are online and now available at no cost. You can take the course from home at your leisure, individually and receive the practical training component at the event in January.

Finally, we need more bodies for this year. This letter is also being distributed to all members at both Kamloops curling clubs hoping we can have some more curling members step forward, get some training, and be available to help in the success of the 2022 BC Provincial Curling Championships. As well, any Level one people, please consider upgrading to level two as this level of certification is in short supply and we will certainly need several more to comfortably stage the Championships.

You will see my email address and cell number to contact me should you have any questions. I will do my best to answer any questions you may have. Let me know if you are interested in helping getting certification. Please see the address below for the web site links to take the courses that may be needed.

Level One: <https://curlbc.wufoo.com/forms/r1faekxo0fzimyj/>

Level Two: <https://curlbc.wufoo.com/forms/zbfnlmp0er6ums/>

Thank you all in advance for your support in what in I'm sure will lead to a hugely successful Championships.

There will be more information to follow as we move closer to the event. For now please reply with interest and contact information so we have a way to communicate with you moving forward.

Regards

Murray Campbell

Coordinator of Officials (Kamloops Curling Club)
